# Ladies’ sanitary bag dispenser h41348

Sanitary bag dispenser in polished or satin stainless steel. Dimensions 13x4.5x27cm, wall-mounted, ideal for public bathrooms and hotels.

The integration of dedicated accessories in professional restrooms is essential to offer an optimal user experience and maintain high standards of decorum. The **sanitary bag dispenser** is an essential element for feminine hygiene, facilitating the management of sanitary waste and ensuring maximum cleanliness of toilets in high-traffic contexts.

Made entirely of **stainless steel**, this model combines structural robustness and a sober design that adapts to every type of technical furnishing. The structure is available in two aesthetic variants, **polished or satin**, to coordinate perfectly with the taps and other accessories in the environment.
