

Ladybug wall-mounted changing table h743_10

Wall-mounted changing table in HPL multiplex in the shape of a ladybug. Reduced depth of 22.7 cm and 50 kg capacity, ideal for public spaces and HoReCa.

The **wall-mounted changing table** with ladybug design is an advanced technical solution designed for setting up nursery areas in professional and public contexts. The structure, made of **HPL multiplex**, combines high mechanical resistance with a modern and attractive aesthetic, designed to make changing time less stressful for the child. The fold-down opening system allows for space optimization, ensuring a minimal footprint when not in use.

Technical features

- **Material:** High-resistance HPL multiplex coating
- **Depth in closed position:** 22.7 cm
- **Length:** 75.8 cm
- **Height:** 103.7 cm
- **Professional load capacity:** 50 kg
