

Laundry collection trolley for hospital use h44805

Laundry trolley with double plastic-coated canvas bag and chrome-plated steel frame. Equipped with wheels with a diameter of 80 mm. Dimensions: L100 x D50 x H80 cm.

The laundry collection trolley is an indispensable item for nursing homes, clinics, and hospital facilities that need to better organize cleaning activities.

The product is perfect for **collection and movement** of **dirty and/or clean** laundry, thanks to the presence of a **double bag**.

The **bags** are made of **plastic-coated fabric** and are easily **removable**; the **different colors** will allow hospital staff to manage laundry collection in an even more functional way.

The **frame** of the trolley is in **chrome-plated steel** which makes it durable and resistant over time.

Movement of the trolley is possible via wheels with a **diameter of 80 mm**.

Technical features:

- Laundry trolley
- 2 removable bags
- Chrome-plated steel frame
- Plastic-coated fabric bag
- Wheels: Ø 80mm
- Dimensions: L100 x D50 x H80 cm
