Laundry collection trolley with key lock h5521

Hospital trolley for laundry collection and distribution. Made of stainless steel and equipped with a key lock. **Dimensions** 1350x675x1145h mm

Trolley used in the **healthcare-hospital** field for the **collection of dirty linen** and the **distribution of clean linen.** The two bag-holder rings allow for easy and immediate sorting of dirty linen.

Clean linen is instead arranged on the 3 shelves of the cabinet, so it is well separated from the dirty linen.

Made entirely of satin-finished **AISI 304 stainless steel**, it is solid and robust. The non-marking rubber wheels with a significant diameter allow for easy movement over uneven surfaces even with considerable loads.

Technical features:

- 4 wheels (2 with parking brake) non-marking gray rubber Ø 125
- Dimensions 1350x675x1145h mm
- Weight 53 kg
- 3 internal shelves
- 2 rectangular supports complete with bag-holder ring
- Key lock
- Non-marking gray rubber corner bumpers
- compliant with CE standards
