

Laundry trolley with bag for hospitals h44804

Laundry trolley ideal for hospitals and clinics. Chrome-plated steel structure and removable fabric bag. Equipped with Ø 80 mm wheels. Dimensions: L60xD40xH80 cm.

The trolley for collecting and distributing laundry is a fundamental item in the hospital sector and in nursing and retirement homes as well.

The product allows for the **collection** and **handling of dirty and/or clean laundry**, facilitating the activities of hospital staff.

The trolley features a **chrome-plated steel** structure that makes the product **resistant** and durable over time.

The **plastic-coated canvas bag** will allow for the collection of laundry and is **removable** according to usage needs.

Movement of the trolley is carried out via the convenient push handle and the **80 mm diameter wheels**.

Technical features:

- Laundry trolley
- Chrome-plated steel structure
- Plastic-coated canvas bag
- Push handle
- Wheels: Ø 80mm
- Dimensions: L60xD40xH80 cm
