

Revolving board h21906

Double-sided revolving board. Dimensions: W120 x H90 cm. Mounted on a stand with wheels.

Revolving board ideal for schools, meeting rooms and offices.

Equipped with a **double porcelain enameled steel surface** suitable for writing with white or colored chalks.

The perimeter frame is made of anodized aluminum, while the **structure on wheels** is made of stove-enameled steel. The supporting structure is also dismountable and gives the product stability and functionality.

The board complies with EC safety directives and in particular with **UNI EN 14434/2005**.
