

Lighter display stand 4 shelves h339_83

Countertop transparent plexiglass lighter display stand. Vertical structure with 4 shelves. Total dimensions: W 18 x D 20 x H 55 cm.

The **h339_83 lighter display stand** is a professional support in **transparent plexiglass**, designed to optimize impulse sales in tobacconists, bars, and betting shops. Thanks to its **4-shelf** configuration, this model solves the problem of limited space on the sales counter, allowing a wide range of products to be displayed in just 18 cm of width. The structure is designed to be functional and space-saving, ensuring **easy placement** near the cash register to maximize item visibility. Made with a thickness of 3 mm, it combines lightness and stability, maintaining a clean and crystal-clear aesthetic that enhances the design of the displayed lighters.
