

Low Panadora for restaurant h09_200

Low dining room service cabinet in melamine-faced wood (90x48x95h cm). Equipped with 2 cutlery drawers, 2 doors and multi-directional wheels. Available in Walnut, Carbon and Ash.

The **dining room service cabinet** is an indispensable technical furnishing accessory for restaurants, hotels and pizzerias that need to organize room objects neatly. Made entirely of **melamine-faced wood**, both for the structure and the panels, this cabinet combines solidity and a refined aesthetic. The configuration includes **2 cutlery drawers**, one of which is equipped with a practical internal divider, and **2 lower doors** for storing plates, linens or accessories. Thanks to the 50 mm multi-directional wheels, the cabinet guarantees excellent mobility, allowing for reconfiguration of the room or facilitating cleaning at the end of the service.
