

Luggage rack for hotel rooms h514_10

Wooden luggage rack for accommodation facilities. Material: solid wood. Dimensions: W 50 x D 44 x H 48.5 cm.

The **hotel room luggage rack h514_10** is an elegant, stable, and robust piece of furniture, designed to meet the aesthetic and functional needs of hotels, holiday homes, and B&Bs. Made of fine **solid beech wood**, this stand stands out for its structural solidity, ensuring a safe support base for guests' luggage. The structure is equipped with **4 high-resistance black nylon straps**, capable of supporting even heavy suitcases without deformation. Thanks to the possibility of folding it, the product effectively solves the operational problem of space management, allowing it to be easily stored behind furniture or under the bed when not in use. The design is completed with **protective feet** at the base, specifically designed to eliminate noise and prevent scratches on surfaces during movement.

Technical characteristics
