

Hotel luggage trolley h09_217

Brass-plated steel luggage trolley with red carpet and clothes rail. Multidirectional wheels Ø 200 mm and bumper. Dim. 124x64x190 cm.

The **luxury luggage trolley** in brass-plated steel represents excellence in hotel hospitality, designed for accommodation facilities that place guest comfort at the heart of their service. This tool solves the operational problem of the strenuous transport of heavy loads, allowing suitcases and clothes to be moved directly to the rooms in a smooth and quiet manner. The structure stands out for its elegant **brass finish** and a solid wooden base covered in **red carpet**, a combination that gives a tone of prestige and warmth to reception areas. The integration of the upper rail also allows the transport of garments in covers, preserving their ironing during the journey.
