## Hotel luggage trolley h464\_42

Brushed stainless steel luggage trolley with clothes rail, 350 kg load capacity and grey carpet base. Robust wheels and bumpers. Dim. 112x61x191 cm.

The **professional luggage trolley** in brushed stainless steel is the ideal solution for hotel lobbies and accommodation facilities seeking a modern design combined with high performance. Thanks to its exceptional **load capacity of 350 kg**, this tool solves the operational problem of moving heavy and bulky luggage, while ensuring maximum protection of garments thanks to the **integrated clothes rail**. The brushed finish of the stainless steel structure not only provides an elegant and professional look but also reduces the visibility of fingerprints and micro-scratches, keeping the trolley impeccable even after intensive use.
