

## Luggage trolley h31\_283

Luggage and garment trolley in chrome-plated stainless steel with black carpet, bumper edge and 150 mm wheels. Dimensions 105x61x186 cm.

The **luggage trolley with garment rack** in chrome-plated stainless steel represents a functional and elegant solution for managing baggage service in the hotel sector. Designed to meet the operational needs of hotels and boutique resorts, this tool allows for the simultaneous transport of bulky suitcases and delicate garments thanks to the integrated upper rod. The **chrome-plated stainless steel** structure guarantees a high-impact glossy finish, while the reinforced metal base ensures maximum stability even when fully loaded, solving the problem of safe movement in high-traffic areas.
