

Manual soap dispenser h218_196

Soap dispenser for public toilets. Capacity: 1000 ml. Material: ABS. With safety lock.

Manual soap dispenser, ideal for furnishing public toilets in airports, stations, shopping malls and universities. Designed for **wall mounting** and equipped with a **key safety lock** that allows only authorized personnel to open it for refilling. The structure is made of **ABS** and is equipped with a specific **level viewer** to check the quantity of remaining soap. The practical **anti-drip system** ensures less waste and prevents the presence of soap on the floor.
