

Market and fair umbrella with cotton canopy h757_47

Professional umbrella for fairs and markets h757_47 with cotton-polyester canopy (300 x 260 cm). Compact and lightweight "Base" version, designed to ensure practical use and low costs for street vendors.

The **market and fair umbrella h757_47** is the ideal solution for those seeking a compact, extremely manageable and functional product. With a coverage of **300 x 260 cm**, this model is perfect for medium-sized exhibition stands or to complete complex sales lines. The canopy is made of **cotton-polyester fabric**, a material that offers excellent sun shielding while keeping the structure light. The frame consists of a pole with a diameter of 55 mm and 35x20 mm rectangular ribs, with an easy-to-use pulley opening system. *Note: The canopy color is subject to stock availability (examples visible in the photo); it is recommended to check and confirm the color during the ordering phase.*
