

Market umbrella for street vendors with resin-coated fabric h757_52

Professional extra-large market umbrella h757_52 for street vendors (375 x 485 cm). Equipped with resin-coated acrylic fabric for high protection against rain.

The **h757_52 market umbrella for street vendors** represents the optimal solution for those who need extensive and protective coverage without sacrificing ease of handling. With its generous dimensions of **375 x 485 cm**, this model offers one of the most extensive shade surfaces in its category, ideal for protecting voluminous sales stalls. The main strength is the **resin-coated acrylic fabric canopy**, which guarantees superior water resistance compared to standard versions, ideal for dealing with the humidity and light rain typical of outdoor work. The structure is solid yet functional, equipped with a 55 mm pole and a facilitated pulley opening system. *Note: The color of the canopy varies based on warehouse availability (examples in the photos); please verify the actual coloring during the ordering phase.*
