

Market umbrella with cotton canopy h757_46

h757_46 market umbrella with cotton-polyester canopy (300 x 400 cm). An essential and lightweight "entry-level" model, designed to offer maximum practicality and low costs for street vendors.

The **h757_46 market umbrella** is the ideal choice for those looking for a simple, functional, and easy-to-move product. Designed with a pragmatic approach, this umbrella offers a 300 x 400 cm coverage with a **cotton-polyester fabric** canopy, which combines the breathability of natural fibers with the resistance of synthetic material. The structure consists of a robust pole with a 55 mm diameter and 35x20 mm rectangular ribs, ideal for daily use in fair contexts. Opening is managed by a practical single-pulley system. *Note: The color of the canopy varies based on warehouse availability (refer to photos for examples); the actual color must be verified and confirmed at the time of ordering.*
