

Market umbrella with cotton cover h757_45

Market umbrella h757_45 with cotton cover (320 x 440 cm). Model designed for those seeking maximum practicality at low cost. Functional structure with 55 mm pole and pulley system.

The **h757_45 market umbrella** is a simple and functional solution, designed specifically for operators who need practicality and ease of transport at a low cost. This "Base" version features a **cotton cover** of generous dimensions (320 x 440 cm), ideal for covering large display stalls while ensuring adequate shading. The structure is robust and essential, composed of a pole with a diameter of 55 mm and rectangular ribs measuring 35x20 mm. The opening is facilitated by a single-pulley system. *Please note: the color of the cover may vary based on warehouse availability; some examples are shown in the photos; please verify the color during the ordering phase.*
