

Market umbrella with resin-coated canopy h757_50

Market umbrella h757_50 with resin-coated acrylic canopy (300 x 400 cm). "Base" model ideal for those seeking protection from humidity and practical use at low costs. Equipped with a 55 mm pole and pulley system.

The **market umbrella h757_50** is a simple and functional work tool, designed for street vendors who need effective coverage without an excessive investment. This version stands out for its **resin-coated acrylic fabric canopy** measuring 300 x 400 cm, which guarantees superior protection against rain and humidity compared to standard cotton models. The structure is lightweight yet resistant, with a 55 mm pole and a single-pulley opening system to facilitate daily operations. *Note: The canopy color is subject to stock availability (examples in the photos); please verify and confirm the actual color during the ordering phase.*
