

Mayo instrument table L130 cm h576_60

Mayo instrument table for outpatient clinic. Material: AISI 304 stainless steel. Dimensions: L130 x W65 x H124 cm.

Mayo instrument table, ideal for use in emergency rooms, outpatient clinics and operating rooms. Thanks to its **robust structure** equipped with a solid base with anti-vibration columns and twin wheels, it ensures **easy and safe transport** of the instruments required by the surgeon or the scrub nurse. Capable of **ensuring maximum hygiene and resistance to corrosion**, as it is made of **stainless steel**. Supplied complete with **rear instrument holder upright** with hook support. The top, in addition to providing a large work surface, is also removable.
