

Mayo instrument trolley in stainless steel h705_01

Polished stainless steel surgical instrument table with height adjustable via screw from 950 to 1350 mm.

The Mayo table is an ideal product for patient care in healthcare facilities, clinics, operating rooms, and medical offices, and can be easily adapted to different working heights.

The product consists of a 350 x 500 mm table with a 45° lip to prevent objects from falling. The corners are open to facilitate cleaning and disinfection.

The 4 wheels with a diameter of 75 mm, 2 of which with brakes, make the product easy to transport.

Technical features:
