

Mayo table with fixed top h576_05

Instrument table with **stainless steel** base and **chrome-plated steel** pump

Mayo Table used for operating rooms, **with single-movement pump and fixed instrument tray**. The instrument trolley has **the base made of 18/10 AISI 304 stainless steel and the chrome-plated steel pump**. It is equipped with a solid **4-spoke** base in rectangular section tubing, **removable worktop**, without open corners, elevation system by single-movement hydraulic pump. **The Mayo Table** offers all the quality and safety standards required by such an environment: high degree of corrosion resistance, high degree of bacterial removal, excellent durability over time. The materials and assembly system allow disinfection inside washing tunnels.

Technical Features:

- Base material: Stainless Steel
- Chrome-plated steel pump
- 4 circular-section spokes with safety tips
- 4 twin wheels Ø 75 mm, with thread guard, in non-marking polymer, 2 of which with brakes and 2 antistatic.
- Fixed worktop
- Removable, deep-drawn worktop without open corners, with radiused perimeter.
- Elevation system with hydraulic pump, single movement, sealed circuit, with pedal activation.
- Elevation range from 935 mm to 1,300 mm.
- Ergonomically positioned pedal located inside the structure.
- Maximum capacity 30 kg, equally distributed on the worktop
- Useful worktop dimensions: W. 650 x D. 530 x H. 20 mm
- Overall dimensions: W. 735 x D. 540 x H. 935/1300 mm

INFORMATION

- **Adjustable height** from 93.5 to 130 cm
- **Tray size** 65 x 53 cm
