

Medical equipment transport trolley h448_62

Instrument trolley in epoxy steel and aluminum with two shelves and a drawer. Dimensions: W.90 x D.45 x H.87 cm.

The medical equipment transport trolley is an essential product for those who own **medical equipment** and **laboratory instruments**, such as microscopes and other diagnostic devices. The product is therefore ideal for **hospitals, clinics, surgeries and all healthcare activities**. Thanks to this instrument trolley, **moving instruments from one room to another becomes practical and, above all, safe thanks to the two solid and robust shelves**. The top shelf is made of **melamine-coated wood fiber**, while the lower one is in **epoxy powder-coated steel**. A **convenient drawer** located under the top shelf allows for storing small equipment or single-use products. The **four swivel wheels** with a 100 mm diameter allow for quick and safe movement. The **two brakes** ensure a **firm anchoring to the ground, preventing the instruments from sliding away**.

The **drawer** and **side details** of the trolley are available in the following colors: blue, light green, purple, red, white, orange.

Technical features:

- Structure material: epoxy-coated steel and aluminum
- Top shelf in melamine-coated wood fiber
- Bottom shelf in epoxy powder-coated steel
- Drawer and side details available in the following colors: blue, light green, purple, red, white, orange
- ABS base
- 4 swivel wheels Ø100mm
- 2 brakes
- Shelf dimensions: W.74 x D.44 x H.1.6 cm
- Internal drawer dimensions: 60 x 38 x 7 cm
- External drawer dimensions: 68.2 x 11.2 cm
- Product dimensions: W.90 x D.45 x H.87 cm
- Weight: approx. 30 kg
