

Medical equipment transport trolley h448_64

Instrument trolley in epoxy painted steel and aluminum with three shelves and one drawer. Dimensions: W.65 x D.56 x H.94 cm.

The medical equipment transport trolley is an indispensable product for those who own **medical equipment** and **laboratory instruments**. The product is therefore ideal for **hospitals, clinics, outpatient surgeries and all healthcare activities**. Thanks to this **medical equipment** transport trolley, **moving instruments from one room to another becomes practical and above all safe thanks to its solid structure**. The upper shelf is made of **ABS**. The convenient drawer located under the lower shelf allows for the storage of small equipment or disposable products. The **four swivel wheels** with a diameter of 100 mm allow for quick and safe movement. The **two brakes** instead guarantee a **firm anchoring to the ground, preventing the instruments from sliding away**.

The **drawer** and **side details** of the trolley are available in the following colors: blue, light green, purple, red, white, orange.

Technical characteristics:

- Structure material: epoxy painted steel and aluminum
- ABS upper shelf
