

Medical gymnastics foam mat h. 1 cm h731_66

Professional closed-cell foam mat, 140x60x1 cm. Waterproof and antibacterial, ideal for medical gymnastics and outdoor use. The **multifunctional mat** is a professional support designed for medical gymnastics, rehabilitation, yoga, and aerobics. Made of **closed-cell foam**, the mat acts as a dynamic air cushion, offering an optimal balance between shock-absorbing capacity, elasticity, and lightness. The molecular structure prevents the absorption of moisture, sweat, and dust, making the product inherently **antibacterial and fungicide**, a fundamental requirement for use in high-frequency clinical and sports contexts.
