

## Medical stool with foot pedal operation h904\_19

Medical practice stool with foot pedal operation. Saddle seat. W. 50 x D. 50 x h. from 62 to 87 cm.

The **metal stool** with **aluminum base** is an example of functionality and refined design. Its **sturdy structure, made of metal**, ensures durability and stability, while the **aluminum base** offers a touch of elegance and lightness. A distinctive element of this stool is the **foot pedal control**, which allows for easy and precise height adjustment. The **tilting seat**, designed to offer maximum comfort, is padded with a layer of **4 cm thick semi-hard foam**. This padding ensures optimal support, making the stool ideal for long work or relaxation sessions. The stool is **supplied disassembled**, facilitating transport and allowing for simple and quick assembly.
