

Medication trolley with drawers h564_33

Medication trolley Small size, with **4 drawers**. Dimensions: **W.750 x D.550 x h.1060 mm**. Body colour: anthracite grey.

Medical medication trolley, made with high-density composite materials: they guarantee excellent durability, resistance, safety, hygiene, and extreme maneuverability of the trolley. The innovative design of shapes and colors gives the trolley an attractive, linear, and compact line. **Self-supporting frame** formed by **4 external uprights** made of epoxy powder-coated steel that ensure reliability, stability, and compactness to the trolley. The painting process complies with UNI EN ISO 9001 standards. **The Side and Rear Walls** are self-supporting up to 100 kg load, made of technopolymer, with rounded edges and no sharp corners, designed for the insertion of numerous accessories. **The Upper Worktop** is in molded technopolymer, scratch-resistant, washable, and easily disinfected. Complete with a perimeter border on three sides for liquid containment. Top dimensions 700x500 mm. **Electro-galvanized sheet metal riser**, complete with a double row of tilt-out bins in transparent plastic (5+4) and upper shelf, dimensions 600x110x25 h mm, with containing edge. **The Drawers are molded in technopolymer**, removable, interchangeable, and sliding on full-extension telescopic guides with automatic return end-of-travel block, complete with ergonomic and anti-trauma molded handle. Centralized key lock. Available front colors: orange, green, blue, yellow, grey (to be chosen during ordering). **Left side** ergonomic and anti-trauma aluminum push handle with plastic ends and tilt-out storage compartments, swivelling and tilting with 40° opening. **Right side** additional pull-out worktop in technopolymer sliding on full-extension telescopic guides with end-of-travel block, complete with ergonomic and anti-trauma molded handle. **Technopolymer waste bin**, pedal lid opening. The Base consists of 4 non-slip PVC bumpers and 4 thermoformed swivelling solid rubber wheels, mounted on bearings of Ø 125 mm (two of which with brake).

Standard drawer configuration:

- 3 technopolymer drawers, dimensions 460x420x150 h mm complete with label holders
- 1 technopolymer drawer, dimensions 460x420x300 h mm complete with label holder
