

Medicine cabinet 4 doors h564_74

Medicine cabinet in painted pressed sheet metal with tempered glass and steel doors. 3 adjustable shelves, lock. 800x400xh.1800 mm, 66 kg.

Medicine cabinet designed for professional environments requiring safe and orderly storage of medicines. The structure combines **pressed sheet metal painted with epoxy powders** to ensure resistance, durability, and ease of cleaning. The two-section configuration allows both visibility of products and protection through closure.

The **upper section** consists of **2 tempered glass doors**, which allow viewing of the internal contents, while the **lower section** features **2 painted steel sheet doors** for protected storage. Inside the upper part, there are **3 shelves in painted pressed sheet metal adjustable on a rack system**, allowing space to be adapted to different types of medicines. The lower part has a **painted steel sheet surface**. All doors are equipped with a **lock** to prevent unauthorized access. Stability is guaranteed by **feet with anti-slip rubber tips**.
