

## Medicine cabinet with 1 door h564\_123

Steel medicine cabinet with tempered glass door and lock, 4 adjustable shelves, 60x40x180 cm. For hospitals, clinics, and nursing homes.

The medicine cabinet is a controlled storage solution designed for healthcare and care environments. It combines robust steel with tempered glass to ensure visibility of contents, physical security, and compliance with pharmaceutical storage regulations. Ideal for **hospitals, clinics, nursing homes, and residential care facilities** where traceability and regulated access to medicines are critical.

The structure in **steel with epoxy powder-coated pressed sheet metal** ensures durability and hygiene, essential in healthcare contexts. The **single tempered glass door** allows for quick visual inspection, while the **integrated lock** prevents unauthorized access.

## Technical features
