Medicine cabinet with drawers h601_02

Monobloc medicine cabinet in white melamine, 90x60x200 cm, with 30 compartments, 3 drawers, lockable narcotics safe and anti-trauma handles.

The medicine cabinet is a storage solution dedicated to healthcare, clinical, and pharmaceutical environments. Designed with a monobloc structure in white melamine with a scratch-resistant finish, it represents the ideal choice for facilities requiring **rational organization of medicines** and **regulatory compliance in the storage of drugs and controlled substances**. It solves the need for rapid, secure and traceable access to medicines, meeting the pharmacovigilance and inventory control requirements typical of hospitals, clinics, pharmacies and healthcare facilities.
