

## Medicine cabinet with narcotic locker h601\_01

White melamine monoblock medicine cabinet, 90x60x200 cm, 60 medicine compartments, narcotic locker with lock, 6 adjustable shelves, 270° hinges.

The medicine cabinet is a specialized storage solution for the safe and organized storage of medicines in healthcare settings. Intended for **medical practices, clinics and hospitals**, it guarantees regulatory compliance in the management of drugs, including narcotics, through dedicated compartments and certified locking systems.

The **20 mm thick melamine monoblock structure** ensures rigidity and durability over time. The **scratch-resistant finish** preserves aesthetics even in high-traffic environments. The opening with **270° hinges** facilitates access to internal containers, reducing the space occupied during use. The **anti-trauma handle** system minimizes the risk of injury to personnel.
