

Medicine display cabinet h18_36

Medicine display cabinet with 4 crystal shelves, painted steel structure, glass doors, key lock, 100x35x160 cm.

Specialized display cabinet for the storage and orderly display of medicines and pharmaceutical products. Designed for healthcare environments, pharmacies, and HoReCa facilities that require secure containment with content visibility. It solves the need to combine visual accessibility, protection from unauthorized access, and rational organization of space.

Technical features

- **Main structure:** Steel sheet 8/10 mm thick, oven-painted with epoxy-polyester powders after phosphating and degreasing treatment in a thermal tunnel
- **Shelves:** 4 patterned crystal glass shelves, positionable on a rack system for height adjustment
- **Sides and door:** Patterned glass; framed hinged door with mirror-polished aluminum profile
- **Closing:** Key lock with framed door leaf
- **Feet:** Polished aluminum tube Ø 30x2s, one adjustable to compensate for unevenness
- **Dimensions:** W. 100 × D. 35 × H. 160 cm
