

Medicine display cabinet with 1 door h13_117

Enameled steel medicine cabinet with tempered glass door, 3 adjustable shelves, dimensions W52 x D35 x H138 cm, lock with key.

Medicine cabinet designed for medical practices and healthcare facilities requiring **secure and organized storage of medicines** in small spaces. The solution combines **compact dimensions** with **effective capacity**, allowing for a significant quantity of medicines while maintaining a small footprint.

The structure is made of **enameled steel sheet**, ensuring resistance and ease of cleaning and sanitization. The **tempered glass door** with hinged opening allows for quick visibility of the contents, while the **key lock** ensures controlled access to medicines. The interior is equipped with **3 stainless steel shelves** adjustable in height, allowing for customization of the space based on different types of medicines. The base features **4 feet with rubber pads** that protect the floor from scratches and marks.
