

Medicine safe h718_11

Double-walled pharmaceutical safe, 6 pull-out aluminum drawers, EN 1300 lock, 180 l, floor-fixable.

Specialized safe for the secure storage of medicines, narcotics, and medical prescriptions in healthcare environments. Designed for pharmacies, clinics, and hospitals, it guarantees high protection against theft and break-in attempts thanks to the **double-wall construction**.

The interior is organized with **6 aluminum drawers** that are fully extractable and equipped with dividers, allowing for an **orderly and controlled subdivision** of drugs and medical documentation. The key lock is **EN 1300 certified**, the international standard for security locks. Floor fixing is facilitated by the **supplied mounting kit**, ensuring stability and immobility of the unit.
