

## Medicine storage cabinet h641\_02

Steel medicine cabinet with 2 lockable doors, 5 shelves and a narcotics safe. Dimensions 110x54.5x182.5 cm. For clinics, factories and work environments.

The medicine storage cabinet is a professional storage solution **certified for healthcare and industrial environments**, intended for clinics, medical offices, factories and workspaces where it is necessary to safely store drugs, first aid equipment and sensitive materials.

The **robust steel** structure guarantees durability over time and compliance with the hygiene standards required in medical and professional environments. The **2 hinged doors with key lock** ensure controlled access, while the **narcotics safe with integrated key lock in the left section** allows for separate storage of controlled substances and materials subject to regulatory restrictions.

The interior is organized with **5 shelves (3 long in the lower section, 2 short in the upper right section)**, a functional division that optimizes the use of space and facilitates quick material retrieval. The **ventilation system with air inlet from the lower grille and outlet from the back** maintains micro-environmental conditions suitable for preservation.

## Technical features

- External dimensions: L 110 x D 54.5 x H 182.5 cm
- Internal dimensions: L 109.5 x D 48 x H 179.5 cm
- Weight: 155 kg
- Material: steel
- Doors: 2 hinged with key lock
- Internal shelves: 5 (3 long, 2 short)
- Specialized compartments: 1 narcotics safe with key lock
- Ventilation: air inlet from lower door grille, outlet from the back
- Ventilation hole diameter: 10 cm
