

Meeting armchair with folding writing tablet h449_116

Professional faux leather armchair with folding writing tablet, steel and multilayer beech frame and Ø 50 mm wheels for meeting and conference rooms.

This **professional armchair** is designed to offer a versatile and functional solution in corporate and collective contexts. Featuring a sober and technical design, it integrates a **folding writing tablet**, a fundamental element to facilitate note-taking during training sessions, meetings, or conferences, eliminating the need for additional support tables.

Structural solidity is guaranteed by an internal frame in **tubular steel and multilayer beech**, designed to withstand intensive use cycles. Ergonomic comfort is provided by **cold-molded foam padding**, which maintains its support over time, upholstered in high-quality **faux leather** to combine professional aesthetics with ease of maintenance. The **50 mm wheels** at the base ensure smooth movement, allowing for quick reconfiguration of operational spaces.
