

Meeting room armchair h776_43

Small armchair for conference rooms, horizontally stackable. Dimensions: W.65.5 x D.57.5 x H.85 cm. Available in multiple colours.

Armchair for furnishing meeting rooms, conference halls, meeting points. Elegant, practical and built with high-quality and high-resistance materials. In particular, the structure consists of an **internal steel and wood frame**, polyurethane resin padding and **eco-leather upholstery**. To ensure good stability, the base is equipped with **4 chrome-plated nylon feet**. The armchair is also **horizontally stackable**, considerably reducing its footprint during transport and storage operations.
