Melamine medicine storage cabinet h13_119

Medicine cabinet 100x60x195 cm in 20 mm melamine, 60 compartments, narcotics safe with lock, 180° rotating doors, painted steel frame.

Professional pharmaceutical cabinet designed for the centralized and secure management of medicines and narcotics in healthcare and hospital settings. It allows for the orderly and traceable organization of the drug warehouse, ensuring regulatory compliance for narcotics through the **dedicated lockable safe**.

The structure combines **20 mm thick melamine** and an **epoxy powder-coated steel frame**, ensuring robustness and hygiene. The **2 external doors with lock and 180° rotation** provide quick access to 10 medicine compartments for each wing, while the **2 internal containers rotating 90°** maximize storage capacity with an additional 10 medicine compartments per side.
