

Metal ashtray h14046

Metal ashtray for urban furniture. Complete **with post**.

Metal ashtray for urban furniture. Complete with post.

Simple in lines and use, this ashtray is ideal for any urban and public context. It integrates perfectly into any architectural context without changing its atmosphere and appearance. Composed of a support post in round tube of 60x2 mm adorned at the top with a decorative frieze. The ashtray, semi-oval in shape, consists of 12/10 thick galvanized sheet metal with anti-cut edging.

Structure:

- Support post:
- in galvanized steel round tube ? 60 x 2 mm adorned at the top by a decorative frieze.

Ashtray:

- semi-oval shaped made of galvanized sheet thickness 12 / 10 with anti-cut beaded top;
- galvanized steel sheet bottom with holes for rainwater drainage.

Emptying:

- screw release and extraction

Anti-corrosion treatments and finish:

- **Pre-treatment:** before being painted, the product is pre-treated by spray washing with special degreasing liquids. After washing, the product to be painted is dried for 15 minutes in a dryer.
- **Anti-corrosion treatment:** in order to provide suitable protection against atmospheric agents, the product is subjected to a first painting cycle using a thermosetting powder anti-corrosive primer based on epoxy resins with special pigments.
- **First baking:** the product treated with the anti-corrosive primer is subjected to a first baking in the oven for a duration of 15 minutes at a temperature of 180°. In this phase the anti-corrosive polymerizes, forming a coating thickness of approximately 60 microns.

- **Painting:** the product is subjected to a final painting cycle with thermosetting powder based on polyester resins in “gunmetal” color. The painting is performed with electrostatic spray equipment, which allows the powder to settle uniformly on the pieces, forming a minimum thickness of 60 microns.
- **Final baking:** the painted product is subjected to a final oven baking for a duration of 20 minutes at a temperature of 160°.

Fixing:

- by extending the support post into the ground.

Dimensions:

- height above ground 110 cm;
- part to be buried 20 cm;
- ashtray height 25 cm;
- width: 12.5 cm
- depth: 20 cm
- weight 6 kg.

*subject to a quote, it is possible to request the ashtray with provision for post attachment or wall attachment
