

## Metal cabinet with hinged doors h796\_22

Low multipurpose steel sheet cabinet, 100x45x90 cm, with 2 hinged doors and 4 adjustable shelves. Dustproof structure for storage.

This multipurpose cabinet represents a professional solution for organization and filing in high-activity contexts such as offices, hospital facilities, school offices, and professional studios. The **sturdy structure in first-choice steel sheet** guarantees solidity and resistance to daily wear, while the double hinged door design allows total and immediate access to the internal compartment, facilitating the movement of folders or bulky equipment. The specific **45° door rebate** is designed specifically to minimize dust entry, preserving the integrity of the archived material.

## Technical features

- Dimensions: W.100 x D.45 x H.90 cm
