

Metal street furniture bench h678_07

Backless bench for public spaces. Dimensions: 200x46xh.45 cm

Backless bench, with great design ideal for **urban furniture**. Respect for the environment in which it is installed and high-comfort usability are just some of the pluses of **this flat bench**. The 13 tubes that compose it are crafted to accompany the structure to the ground, giving **extreme lightness** and apparent simplicity to this seat. So **linear** and at the same time so **sophisticated**. Structure made of 18 mm diameter calendered tubes, in **polyester powder-coated** and **hot-dip galvanized steel**. Prepared **for ground fixing** with anchors or for multiple coupling with a steel plate. **Cutting-edge bench for technicality and design**, features glossy, **bright, and vivid** finishes for the colors Red RAL 3002, Green RAL 6029, and White RAL 9003, while Black RAL 9005, Grey RAL 9006, and Micaceous Anthracite have a wrinkled matte finish.

Technical features:

- Backless bench
- Material: painted steel
- Dimensions: 200x46xh.45 cm
