

Metal whiteboard with storage trays h872_32

Whiteboard for offices and meeting rooms with 2 green storage trays, adjustable height. Dimensions: W 75 x H 100 cm.

The **H872_32 metal whiteboard with storage trays** is a solution designed to promote **organization and mobility in educational and training contexts**, such as schools, teaching laboratories, creative environments, or learning support areas.

The structure is **entirely made of metal**, solid and resistant, and integrates a **whiteboard that is dry-erase writable and erasable**, with a **height adjustment of 40 cm**, allowing it to be easily adapted to different age groups or usage situations.

Below the writing surface, there is an **accessory tray** and **two removable green containers** (dimensions: 370 x 305 x h140 mm), perfect for storing **markers, pens, notebooks, sheets, and teaching materials** in an orderly manner and always within reach.

The structure is mounted on **two 4-legged supports**, each equipped with **swivel wheels, two of which have brakes**, to ensure **ease of movement and stability during use**. This makes the whiteboard easily transportable from one classroom to another or within a multi-purpose space.

The whiteboard is **supplied disassembled** and accompanied by simple and intuitive assembly instructions. It is covered by a **5-year warranty**, guaranteeing reliability and durability over time.

Organize lessons and activities with practicality and flexibility. Buy the **H872_32 whiteboard** now or request a quote for school and teaching supplies.
