

Mini key safe h200_37

Mini key safe designed to hold keys up to 8 cm in length. Dimensions: W9.5 x D4.5 x H17.8 cm.

Key safe, ideal for B&Bs, holiday homes, mechanics and car rental companies. Made of a durable die-cast zinc structure that ensures **security against theft**. Equipped with a **padlock with removable shackle** that allows it to be easily hung anywhere. Featuring an individually adjustable **4-digit access code**. The number wheel ensures easy code entry thanks to the auto stop mechanism, plus it can be protected from the elements thanks to the **sliding cover**.
