

Mini self-service tray h30316

Heat-resistant 100% food-grade polypropylene tray. Scratch and stain resistant. Dimensions: 280x240 mm. Pack of 50 pcs.

The tray is perfect for fast food, hospital canteens, self-service, bistros, catering services and snack bars **to serve** various types of food and drinks.

The tray pack is ideal for managing dish distribution in crowded contexts where it is necessary to optimize service times and spaces.

The tray is made of **polypropylene certified for food use** and suitable for contact with food.

The material used makes the product **heat-resistant** and resistant to thermal shocks up to +85° C.

Once used, the product is **easy to clean** and can also be washed in **professional dishwashers**.

The structure with **reinforced rounded corners** is also suitable for **resisting scratches** and **stains**, resulting in a durable product over time.

Each item is **stackable** on top of each other, thus allowing for optimal space management.

The tray pack is available in **different colors** to satisfy various furnishing needs.

Technical features:

- Material: PP (polypropylene) 100% food-grade
- Scratch-resistant
- Stain-resistant
- Heat-resistant
- Resistant to thermal shocks up to +85° C
