

Minibar for hotel and office with 60 lt freezer compartment h3437

Minibar 60 lt h3437 with 10.2 lt freezer compartment. Made in Italy compressor system, high performance and compact dimensions W47xD47.5xH61.9 cm.

The **Hotel Minibar 60 lt h3437** is a professional **Made in Italy** cooling unit designed to guarantee reliability and power in all climatic conditions. Thanks to its **compressor operation**, this model ensures excellent performance even in the presence of **extreme external temperatures**, overcoming the limits of passive refrigeration systems. With a total capacity of 60 liters, it solves the need for mixed storage thanks to the integration of a large **10.2-liter freezer compartment**, ideal for keeping frozen foods or producing ice in the room. The compact structure and elegant black panel make it easy to integrate into hotel furnishings, offering a solution with an **easily amortizable cost** thanks to optimized consumption and operational efficiency guaranteed by Class F.

Technical specifications

- **Production:** Made in Italy
- **Total capacity:** 60 lt
- **Freezer capacity:** 10.2 lt
- **Refrigeration system:** compressor for high performance
- **Energy class:** F
- **External dimensions:** W 47 x D 47.5 x H 61.9 cm
- **Supply voltage:** 230 V
- **Nominal absorption:** 96 W
- **Nominal current:** 0.74 A
- **Closure:** magnetic
- **Panel color:** black

* The energy label image shows the total capacity divided between fridge capacity and freezer capacity.
