

Minibar with freezer compartment for hotel office 50 lt h3436

Minibar 50 lt h3436 with 3.6 lt freezer compartment and Made in Italy compressor system. Energy class E, reversible and panelable black door. W40xD41.5xH54.4 cm.

The **Hotel Minibar 50 lt h3436** is a professional **Made in Italy** refrigeration unit designed to offer excellent performance and maximum versatility. Characterized by elegant and sober lines, this model solves the need for low-temperature storage thanks to the integration of a practical **3.6-liter freezer compartment**, making it ideal for both hotel rooms and high-level suites. The **compression operation** guarantees rapid and constant cooling even in the presence of **extreme external temperatures**, ensuring drinks are always at the ideal temperature. Thanks to advanced technology, the device is able to operate correctly even in a **tilted position** and boasts an **Energy Class E**, which certifies reduced electricity consumption without compromising cooling power.

Technical characteristics

- **Production:** Made in Italy
- **Total capacity:** 50 lt
- **Freezer capacity:** 3.6 lt
- **Refrigeration system:** high-performance compression
- **Energy class:** E
- **Supply voltage:** 230 V
- **Nominal absorption:** 96 W
- **Nominal current:** 0.74 A
- **Door:** reversible and panelable
- **Closure:** magnetic
- **Door color:** black
- **Finish:** right-hinged door
- **Stability:** functioning even in tilted position
