

Modular preschool table h908_149

Modular wave table for preschool, steel structure Ø 60 mm, orange top 120x60x53 cm, ideal for collaborative configurations. The **modular table H908_149** is a technical solution designed for setting up dynamic educational spaces in **preschools**. The particular **wave (semi-circle)** shape allows for superior compositional flexibility compared to traditional desks, making it possible to join multiple modules to form circles, sinuous rows, or collective work areas. This system responds to the modern needs of active teaching, where the environment must adapt quickly to different educational and play phases.

Technical characteristics

- **Type:** Linkable modular table for preschool
- **Geometry:** Wave / semi-circle shape
- **Top dimensions:** L 120 x D 60 cm
- **Height:** 53 cm (Size 2 - school regulations)
- **Supporting structure:** Ø 60 mm tubular steel powder-coated in aluminum color
- **Worktop:** High-visibility orange finish
- **Stability:** Scratch-resistant terminal feet

Available options:

- Color customization of the worktop via color chart on a dedicated quote.
