

Modular preschool table h908_162

Half-circle table for preschool in steel and light blue top (160x50x46 cm). Modular design compliant with EN 1729 for group activities.

The **h908_162 half-circle table** is a professional furniture solution developed to meet the pedagogical and structural needs of **preschools** and nurseries. Its particular curved geometry has been designed to encourage active participation and interaction during creative workshops, allowing educators to easily manage small work groups. The modularity of the system allows several elements to be placed together to create circular or wave configurations, dynamically adapting to teaching spaces.

Technical specifications

- **Top geometry:** half-circle shape for single or modular configurations.
- **Dimensions:** L 160 x D 50 x H 46 cm (Size 1).
- **Supporting structure:** high-resistance tubular steel with a 60 mm diameter.
- **Frame finish:** epoxy powder coating in aluminum color.
- **Work surface:** light blue balatan top, water-repellent and shockproof material.
- **Ergonomic compliance:** certified height according to the European standard **EN 1729** for the 3-4 age group.
- **Modularity:** system designed for joining with other tables of the same series.

Optional: Upon request and subject to quotation, it is possible to order the top in different color variants by consulting the attached color chart.
