

Modular shelf in stainless steel 80x40xh180 cm h11131

Modular shelf with base element bolt. Italian product. Four smooth shelves

Modular shelf with base element bolt made entirely of AISI 304 stainless steel, a high strength steel with a composition of chromium, nickel and carbon that ensures:

- excellent resistance to corrosion
- ease of cleaning
- good hygienic coefficient
- easy to work
- lifespan

The shelf has a basic element in bolt bearing structure struts with angled 35x35 and spessore 10.15.

The 4 shelves are smooth with a thickness of 8.10, while the edges are cut proof. To prevent damage to the surfaces where they are placed, the shelves have plastic feet.

Specifications:

- Italian product
- stainless steel AISI 304
- modular bolt
- 4 smooth shelves - thickness 8.10
- uprights 15/10
- complete with bolts
- plastic feet
- Anti-scratch edges
- glossy finish
- height 180 cm
- width 80 cm
- depth 40 cm
