

Modular wedge desk h 71 cm h908_120

Modular wedge desk for 4.0 classrooms in steel and 100% recycled wood. Dimensions 87.5x70x71 cm, ideal for modular teaching configurations.

The **modular wedge desk h908_120** is a technical-professional furniture solution designed to meet the requirements of **innovative classrooms** and **School 4.0** projects. Thanks to its modular geometry, this desk allows overcoming the rigidity of traditional classrooms, offering maximum flexibility to quickly transition from individual work to collaborative teaching in small groups.

The structure is designed to withstand intensive use cycles, typical of school environments, ensuring stability and safety. The use of eco-sustainable materials not only reduces the environmental impact of the supply but also responds promptly to current regulations regarding green purchases for Public Administration.

Technical features
