

Monobloc canteen table h776_01

4-seater monobloc canteen table with beech swivel seats, black metal frame and melamine top (188x120 cm).

The **monobloc canteen table** is a furnishing solution designed to optimize space in collective contexts such as offices, schools, and university refectories. The integrated configuration allows the dining area to be kept constantly tidy, while facilitating floor cleaning operations thanks to the reduction of contact points on the ground. The structure guarantees high stability, making it suitable for intensive use in high-frequency environments.
